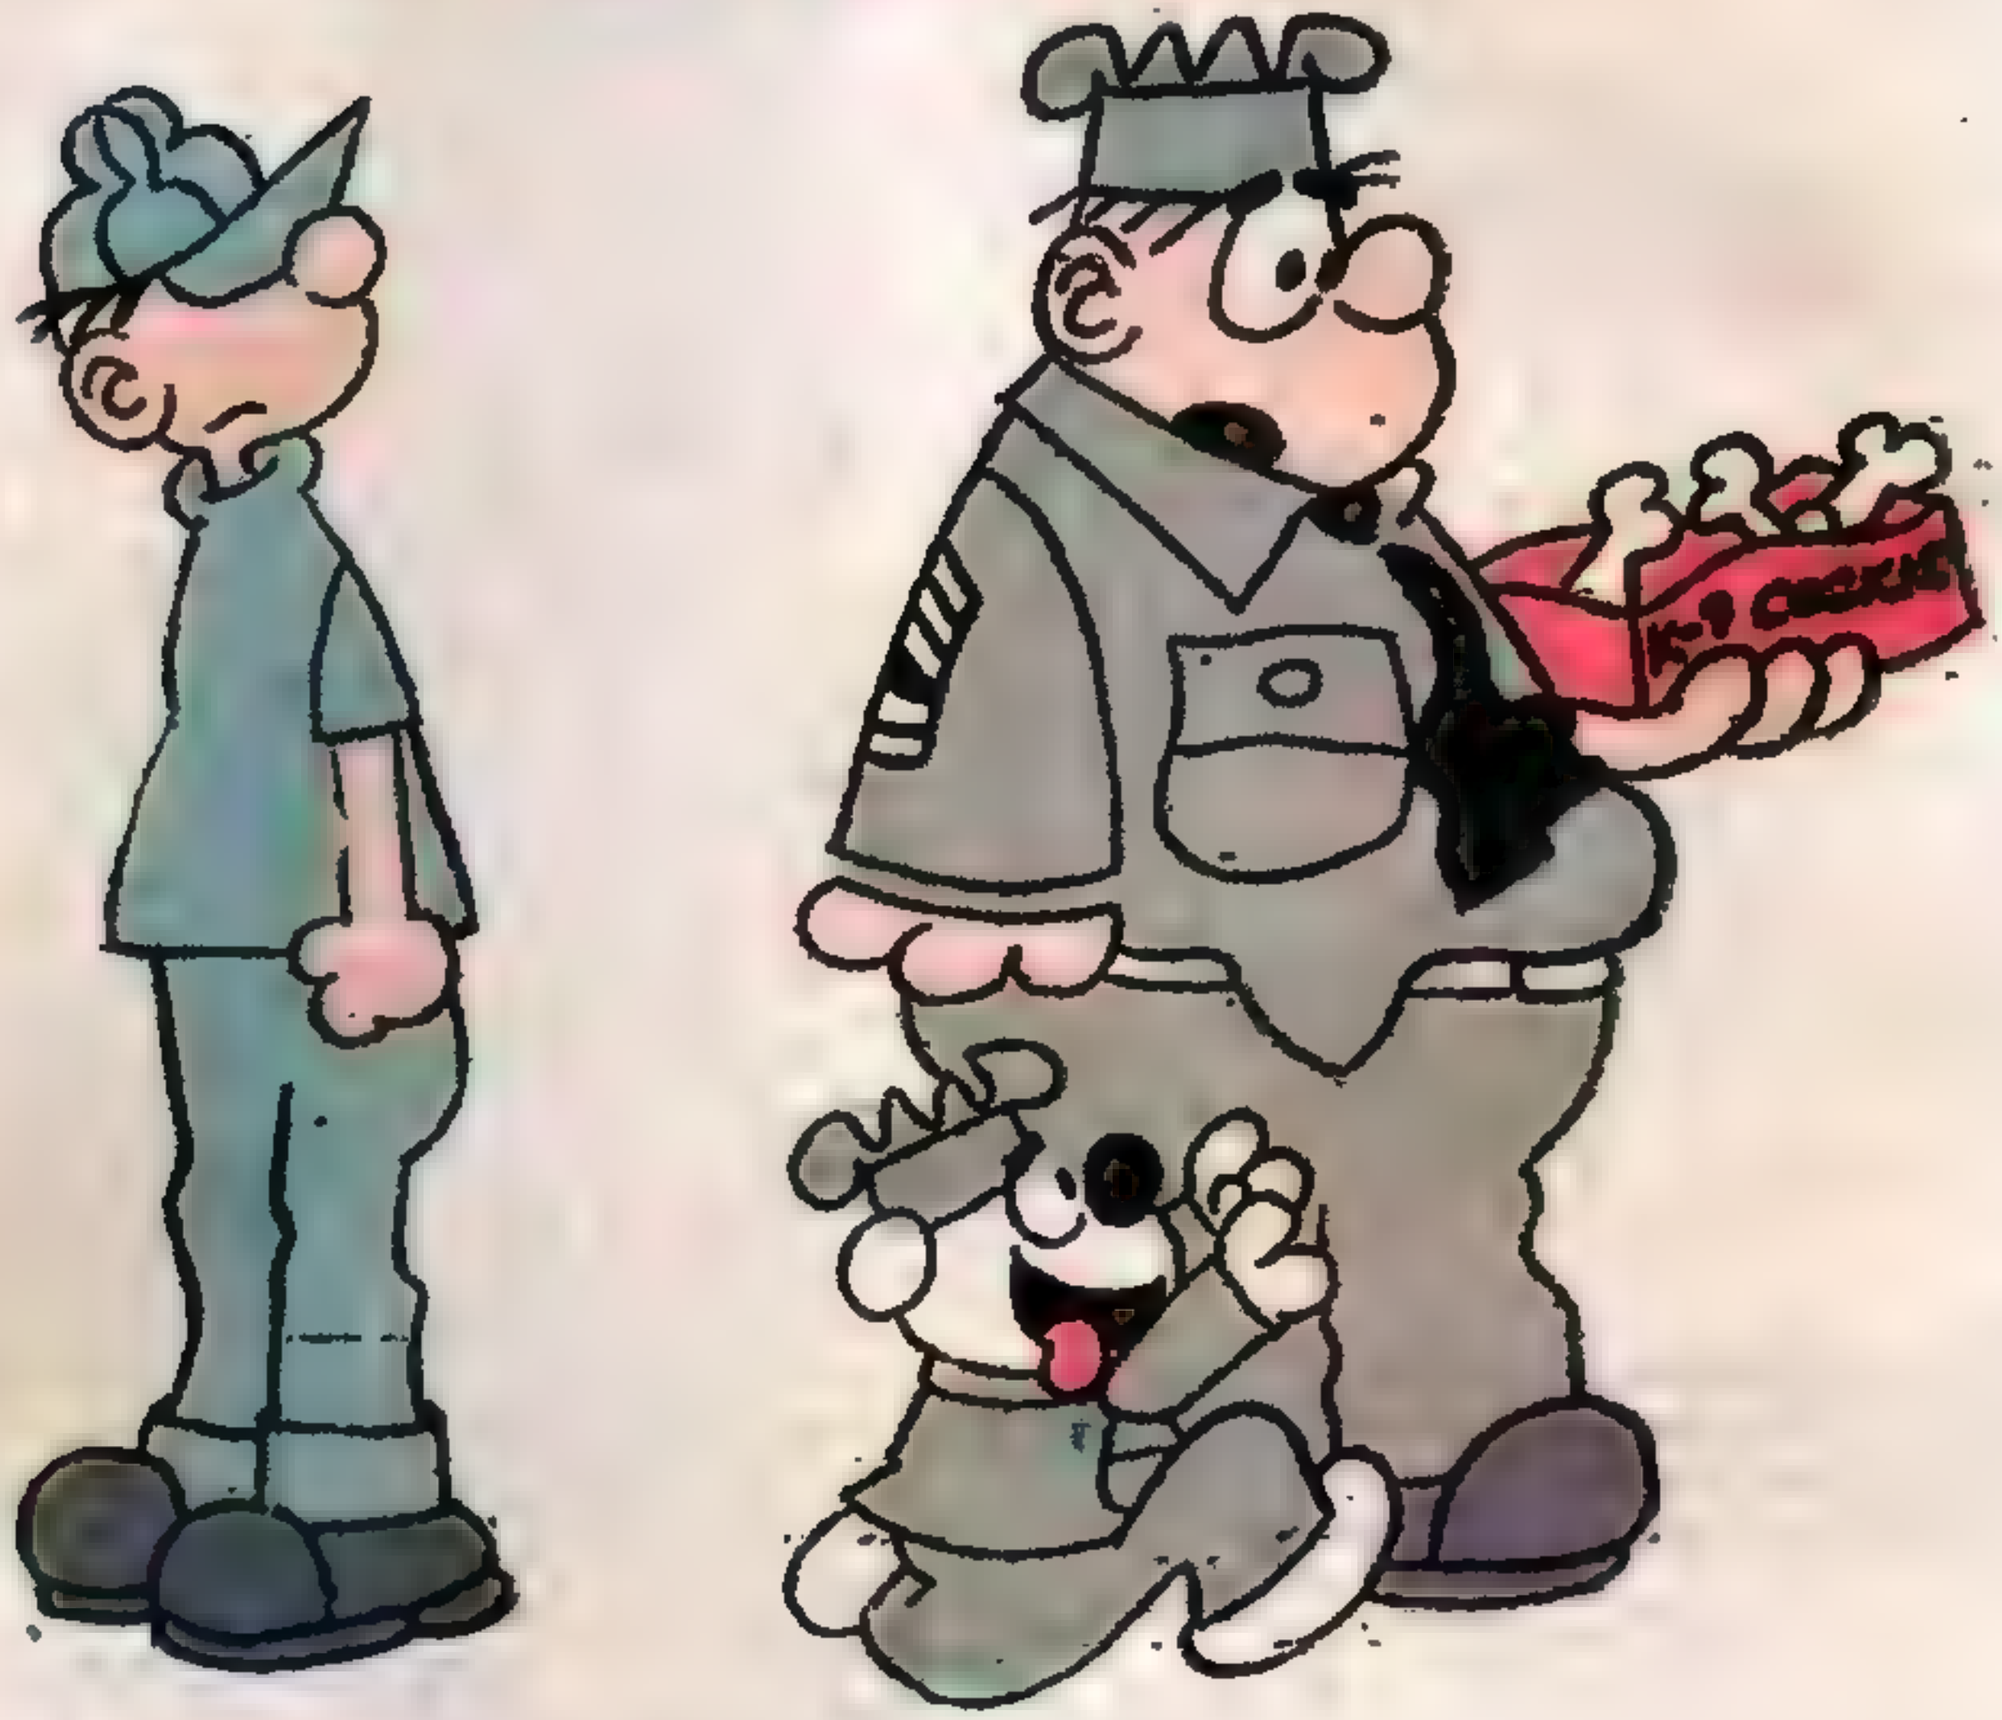
Otto's Favorite Food



"I don't want to go, guys!" yelled Sarge Snorkel at the top of his lungs. His voice echoed through the barracks and made the building shake, quake and vibrate. "Why do I have to go to Camp Mesquite?" sobbed the Sarge sadly as he plopped down on his bunk.

"They need you to teach Judo to some raw recruits! They need an instructor right away, and you're it!" replied Beetle.

"The Commander of Camp Mesquite asked for you specifically! You can't disobey your orders! Besides, you'll only be gone for three days!" stated Plato.

All of Beetle's buddies snickered quietly. With Sarge Snorkel away, they could goof off all day and never get caught. He had to go! They had to talk him into leaving Camp Swampy.

"I guess you're right," admitted the Sarge as he got to his feet. "It's my duty to go to Camp Mesquite!"

Sarge Snorkel was almost out of the barracks when Otto, his pet dog, came running into the building. Smack! Otto and the Sarge bumped right into each other!

"I can't leave!" screamed the Sarge. "Who will take care of Otto for me? I guess I'll have to tell General Halftrack that I refuse to report to Camp Mesquite. When I explain about Otto, the General will understand and send someone in my place!"

"Hold on, Sarge!" yelled Beetle frantically. "We'll take care of Otto for you."

"Sure we will!" agreed Zero, Killer, Plato and Rocky. "We'll take real good care of Otto! Don't worry about a thing!"

"Do you promise to feed him his favorite food?" asked the Sarge.

"We promise!" sang out a chorus of voices.

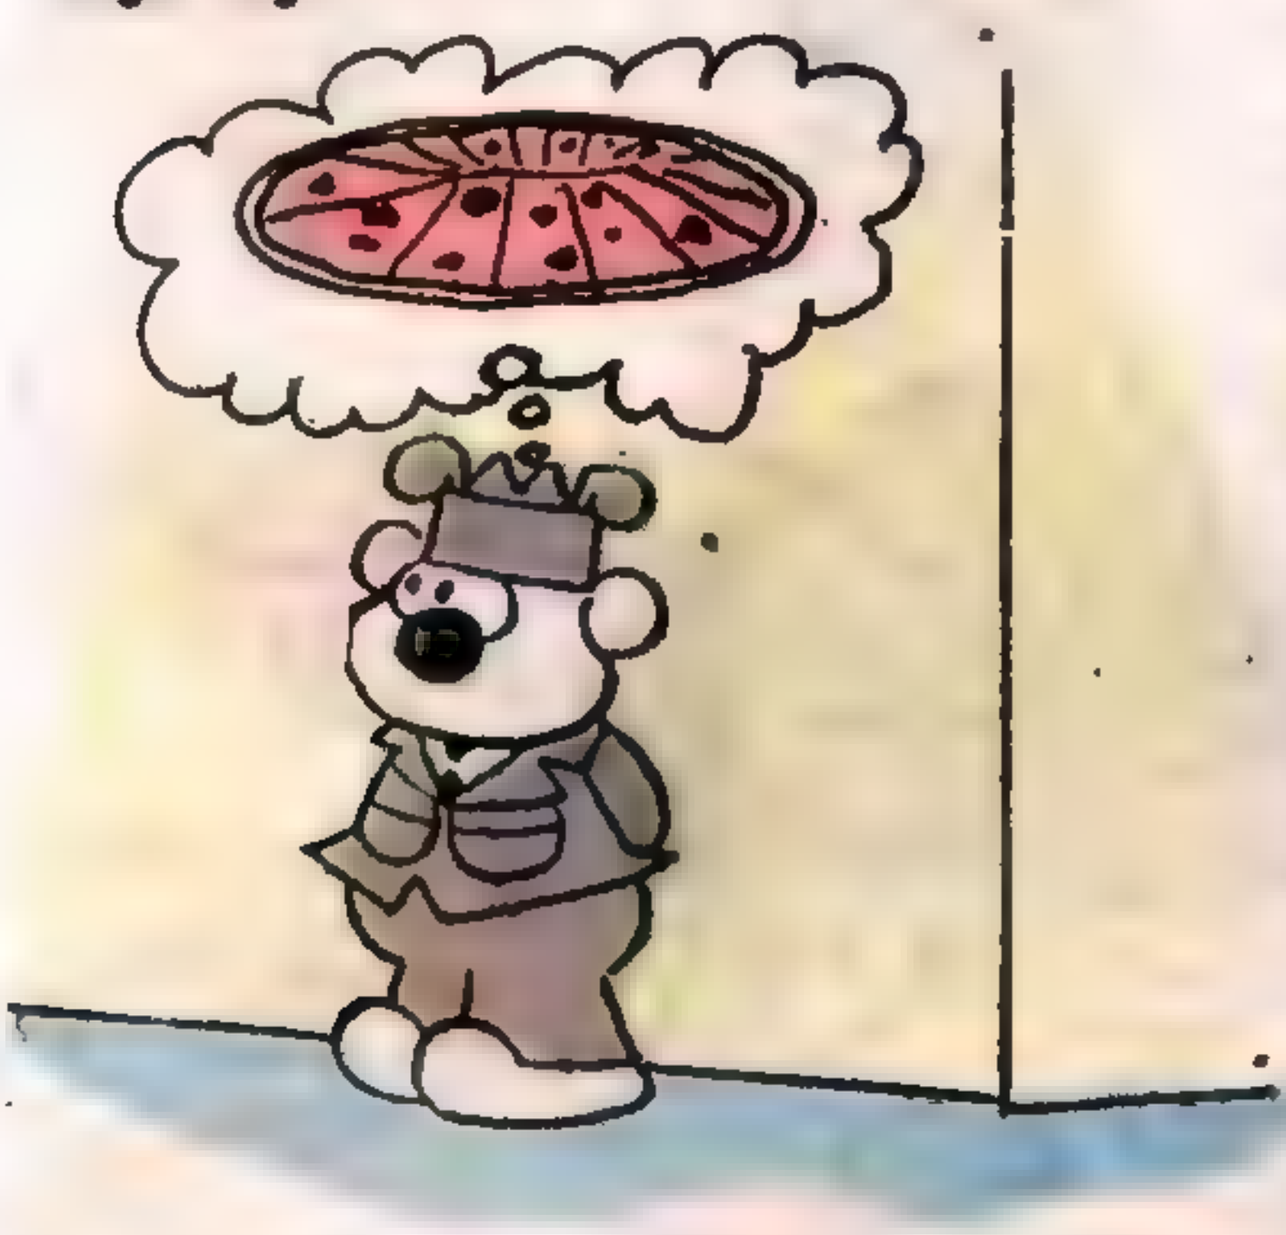
"If Otto doesn't eat what you give him, promise me that you'll phone me at Camp Mesquite. I'll come right back!" stated the Sarge.

"Okay," Beetle sighed. "If Otto doesn't eat, we'll send for you!" Beetle Bailey promised.

Sarge Snorkel handed Otto to Beetle. Otto growled as Beetle held him.

"Don't forget to feed Otto his favorite food," the Sarge shouted as he went out of the building.

"We won't," called Beetle. "We don't want the Sarge to come home early, so we're going to take real good care of you, Otto, old boy!" said Beetle to the Sarge's dog.



"Duh, what is Otto's favorite food?" asked Zero.

"Holy Cow!" exclaimed Killer. "We forgot to ask the Sarge what Otto's favorite food is! We don't know what to feed him. What should we do?"

"Since the Sarge has already left, I suggest that we experiment," stated Plato. "Otto is a dog. We'll all go out and buy food that dogs like. If we're lucky, one of us will probably buy Otto's favorite food!"

"Yeah!" agreed Beetle. "If we find out what Otto likes, then we won't have to send for the Sarge!"

Out of the barracks, the men bolted like living flashes of lightning. They left Otto in the barracks and scattered in different directions. They figured that one of them was bound to bring back Otto's favorite food.

Many hours later, they all returned with bags filled with different types of dog food. Beetle brought back canned dog food. Killer's bag was filled with steak bones. Zero brought back dog biscuits. Plato walked in with a sack of dog chow. Rocky had a plastic bag filled with table scraps left over at the mess hall.

One by one, they offered the doggie treats to Otto. Time and time again, he turned up his nose at everything they offered him. There wasn't a single thing there that Otto liked to eat!

"Oh, no!" cried Beetle sadly. "Otto won't even taste any of the things we brought him. Now we'll have to phone Camp Mesquite and ask the Sarge to come back. "We've already offered Otto every type of food that a normal dog likes to eat!"

Suddenly, Plato got a brainstorm. "That's it!" he shouted happily and excitedly. "That's the answer! Otto isn't a normal dog. Otto is Sergeant Snorkel's pet. Most animals like to eat the same kinds of food that their masters consume!"

"The Sarge's favorite food is pepperoni pizza," muttered Killer. "Could pepperoni pizza be Otto's favorite food?"

"I don't know! Let's hope so!" said Beetle. "Zero, run down to the P.X. and buy a pepperoni pizza! Do it, quick!"

Off Zero dashed. Seconds later, he was back with the pizza. As soon as they opened the box, Otto went wild! Instantly, he gobbled up all of the pizza. He was so full that he couldn't swallow another bite!

Now, there was nothing to worry about. As long as they fed Otto plenty of pizza, they wouldn't have to send for the Sarge. They were safe! They had three, whole days to goof off!

The sport a boy grows up with...

shooting a Daisy

"In hockey, 'pulling the trigger' is that split second when a player rifles the puck quickly and accurately into the net. Like shooting a Daisy B-B gun, it requires practice and concentration.

Practice helps you gain confidence and develop your skills. And when you hit the bullseye, it gives you a great deal of personal satisfaction. I know, because I've been scoring bullseyes with hockey pucks and Daisy B-B guns for 25 years.

Now my sons Bobby, Blake, Brett and I shoot together. They're learning what a great friend a gun can be, and developing a sense of responsibility that will be useful in all walks of life."
